**Use and Care instructions for your Madison Park Signature Furniture**

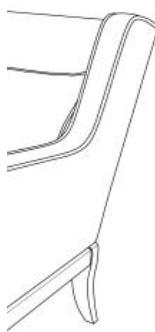

Your wood furniture can be cleaned using a damp soft cotton cloth to wipe it down, then wipe dry with a sec cloth. Some spray and liquid furniture polishes can change the sheen (how shiny your furniture is) of the finish. If you are unsure about using a product, test it first on an inconspicuous part of the furniture. Your furniture should be cleaned using a quality product intended for furniture upholstery. It is best to not place your furniture in direct sunlight as it can fade the finish over time. Always lift your furniture when moving it as dragging it can cause scratches.
