### **Use and Care instructions for your Madison Park Signature Furniture**

- Your wood furniture can be cleaned using a damp soft cotton cloth to wipe it down, then wipe dry with a second soft cotton cloth.
- Some spray and liquid furniture polishes can change the sheen (how shiny your furniture is) of the finish.
- If you plan to use a product like this to clean your furniture you should first test it in an inconspicuous part of the furniture.
- Upholstery should be cleaned using a quality product intended for furniture upholstery.
- It is best to not place your furniture in direct sunlight as it can fade the finish over time.

- Always lift your furniture when moving it as dragging it can cause damage.

**Thank you for your purchase**
